

Press Release

# Broadcasting To The World From Ballyfermot in Ireland-Year 4!

For Immediate Release  
POC: Adam Lock

For the fourth year in a row, WWCR is working with Ballyfermot College in Ireland, to broadcast their programs on International Shortwave Radio.

Students from [Senior College, Ballyfermot](#), will broadcast to the world on their own radio station, Emerald Radio, between Monday, March 27th and Friday, March 31st, 2000. Programs will be relayed from Dublin live via phonelines to WWCR, in Nashville, Tennessee, USA. These broadcasts will be at 12:00PM-Irish Time, 1100 UTC. At the same time, programs will be broadcast on the student's own web site: [www.emeraldradio.com](http://www.emeraldradio.com).

Emerald Radio is a project undertaken by second year radio and journalism students at Senior College, Ballyfermot. All production, presentation and research is undertaken by students as are the financing and the management of the station. Emerald Radio programs will be broadcast on the following schedule:

3/27-3/31	1100-1200 UTC	9.475 MHz	Live
		5.070 MHz	Live (Simulcast)
4/1	1200-1400 UTC	5.070 MHz	Recorded broadcast
4/2	1100-1300 UTC	5.070 MHz	Reairing of recorded broadcast

This year, the weekday timeframes are being graciously yielded by their current occupant, ["The Overcomer Ministry"](#) and Brother R.G. Stair. Brother Stair currently leases one 24 hour a day transmitter and numerous one hour timeslots on additional WWCR transmitters.

[WWCR](#) (World Wide Christian Radio) which serves Europe, the Middle East and Africa on Shortwave, is the sister station to [WNQM](#), 1300-AM, all located in Nashville, Tennessee.
