Arabic Programming on WWCR-Shortwave

For Immediate Release 1 November 2001
POC: George McClintock

WWCR, World Wide Christian Radio, located in Nashville, Tennessee, in the USA is broadcasting the radio message of an Arabic Church in the US, in the Arabic language. Due to the sensitive nature of Arabic Christian broadcasting to an overseas audience, the sponsoring church is operating under anonymity, to protect their local interests.

The 1-hour daily radio broadcast provides information on sharing the gospel with Muslims, answering questions from Muslims and dealing with the points of conflict between Islam and Christianity. The sponsoring church believes in the Biblical Great Commission "...and He said to them Go into all the world and preach the gospel to the whole creation." Mark 16:15.

The Arabic radio program can be heard on WWCR daily from 5-6:00AM-Central, 1100-1200 UTC, on a frequency of 15.685 MHz. The coverage area of WWCR includes the main interest of the church in reaching listeners in the Middle East.

WWCR is the sister station to WNQM-1300-AM (Nashville Quality Ministries-50,000 Watts) which serves Nashville and middle Tennessee with Christian talk and evening Hispanic programming. For more information, contact George or Rick at WWCR (615) 255-1300.
